

# DAIS Online Learning Guide - Update 1 - 16.03.2020

Dear Parents, Guardians and Caretakers,

On Saturday March 14 2020, His Excellency the President Abdelfattah Elsisí directed to suspend study at Schools and Universities across the country for two weeks as of Sunday, March 15 2020 as part of the country's comprehensive strategy to curb the spread of the novel coronavirus (COVID-19).

Our school has been preparing for this suspension and our main target was to make sure that our educational program is not affected by the ongoing situation. That's why a decision has been made to move from On-site to Online learning until further directions by the Ministry of Education.

Kindly keep checking your emails for updates.

In the meantime please take note of the below guidelines:

## **Gmail Account**

To ease the process of this transition we appreciate our parents' cooperation in creating Gmail Accounts for easier communication and follow up.

*N.B.*

*If you already have a Gmail account registered in our database, please ignore the below steps.*

**You don't need to reply back with your new Gmail account please wait for the next instructions.**

Steps:

1- Go to <https://www.gmail.com/>

2- Click Create account

3- The sign-up form will appear. Follow the directions by entering the required information.

4- Next, enter your phone number to verify your account. Google uses a two-step verification process for your security.

5- You will receive a text message from Google with a verification code. Enter the code to complete the account verification.

6- Next, you will see a form to enter some of your personal information, like your name and birthday.

7- Review Google's Terms of Service and Privacy Policy, then click I agree.

Your account will be created.

**Google**

Google  
Privacy and Terms

We also combine this data among our services and across your devices for these purposes. For example, depending on your account settings, we show you ads based on information about your interests, which we can derive from your use of Search and YouTube, and we use data from trillions of search queries to build spell-correction models that we use across all of our services.

**You're in control**  
Depending on your account settings, some of this data may be associated with your Google Account and we treat this data as personal information. You can control how we collect and use this data now by clicking "More Options" below. You can always adjust your controls later or withdraw your consent for the future by visiting My Account (myaccount.google.com).
